

Aerosoft Competition Conditions

To take part in the Aerosoft competition you must fulfill the requirements as described in each competition. All competitions are based on timeframes.

How we draw the winner

A secret time is selected before the event in the time frame and the pilot landing closest to that time will win, this is to ensure a complete unbiased selection

Winner is notified via Private Chat on VATSIM at the time of win. the person **MUST** respond within a reasonable time to provide us with an email address for further communication. Failure to respond may cause the pilot to forfeit, and another winner will be selected.

Type of prize that can be collected

You must respond to our email to be selected.

Once selected will receive a 30 euro giftcard for use in the Aerosoft shop.

The gift card can NOT be converted into cash, neither can it be used to buy hardware and certain other items as pr. Aerosofts discretion. Furthermore the prize may not cause financial hardship for Aerosoft.

Collecting

To collect the prize the winner must be in possession of an Aerosoft account and shall inform the email it belongs to.
